CRUFTS TEAM FLYBALL

This is a team competition (knockout). Two teams will compete against each other on separate equipment. The best two of three runs will decide the winner to go into the next round.

Each team shall consist of four handlers and dogs plus two reserves. A club may enter more than one team, and a club may qualify more than one team for the final. No handler or dog can enter/compete in more than one team.

Two teams will be invited from each heat to compete in the semi final/final at Crufts 2013. Once a team has qualified for the semi final/final, further heats cannot be entered or competed in during the current competition year by that team.

This competition is governed by Kennel Club guideline rules for Flyball in force at the time of the heat/final. **This event will be run with flat fronted type boxes, which will be provided at the event by the teams entering.** Only handlers who are members of the original team, or named as reserves on the entry form, will be allowed to compete in the final at the organiser's discretion (exceptional circumstances).

Only handlers and dogs who are members of the original team, or named as reserves on the entry form, will be allowed to compete in the final at the organiser's discretion (exceptional circumstances).

DEFINITION OF YKC CLASSES

Each team should consist of not more than six handlers (four handlers and two reserves) plus one box loader

Teams may have one handler from the 18 - 24 age group.

The team coach to assist the team in the ring may be an adult.

In order to qualify to take part in the competition, members must qualify at a YKC Flyball heat. All handlers must be from clubs that are registered with the Kennel Club but a team may consist of members from more than one club.

Flyball is a knockout team competition. Two teams will compete on two identical sets of separate equipment. The best two of three runs will decide the winner to go forward into the next round.

Crufts 2013 Qualification Procedure

YKC Flyball teams can try and qualify at a YKC Flyball heat. The first and second placed team at each heat will be invited to compete at Crufts 2013.

Teams that have qualified for the Crufts Final will not be able to participate in any further Crufts Flyball heats that year. This is due to the nature of the Crufts competition, which is run on a knockout basis, and it would be unfair for unqualified teams to be knocked out by a qualified team.

The competition will be held under Kennel Club Regulations H and H (2). Please refer to the current Kennel Club Year Book for specific H (2) Flyball Regulations. The Kennel Club produces a Year Book that lists these and it can be purchased from the publications department on 020 7518 1016
